

## **Attention all JCF Employees!**

**Week of November 9<sup>th</sup>** JCF will be having its First Annual Candy Drive! Bring all that excessive, sealed Halloween Candy to the donation box in the lobby to be donated for care packages for our deployed Service Men and Women. Any toiletries (especially baby wipes) would also be appreciated.

**Tuesday November 10<sup>th</sup>** JCF will be having a Veterans' Day Cook-Out. We are honoring our Veterans by putting them to work! They will be grilling to earn money for the local American Legion, supporting American troops overseas. A minimum of \$5.00 will get you Lunch. There will be items donated for sale as well.

**"Rep Your Branch"** Active, Inactive, Retired and family members of Service Men and Women will have the opportunity to "Rep their Branch." Uniformed and Non-Uniformed staff may wear a hat or pin representing the Military Branch in which they serve, served, or support on Veterans' Day (Wednesday). Items must be non-offensive, in good repair, and worn in areas not likely to have public/media contact (e.g. Information Desk, Off-site Hospital, visit room etc.). Hats must be baseball style (No BDU, "Boonies" or actual service hats). Donations to participate will be accepted at the Information Desk.

Thank you to the Michigan Corrections Organization, the JCF Employees Club, and Warden Brewer for their donations to this worthy cause in support of our Country and our Veterans.
